Workshop Human

frameworks for micro- and nanoplastics

Tuesday, March 14, 2023
12:30 pm - 17:00 pm (CET)

Agenda

12:30 **Welcome and introduction**
POLYRISK

I. Existing concepts and frameworks for polymers and nanomaterials

Chair: Dirk Brossell (BAuA, POLYRISK)

12:40 **Risk assessment of polymers - the perspective of EU REACH**
Oliver Peters, BAuA, Germany (POLYRISK)

13:00 **Risk assessment of nanomaterials - overview on existing frameworks**
Steffen Foss Hansen, DTU, Denmark (PlasticHeal)

13:20 **Q&A and discussion**

II. Adapting the existing concepts and frameworks for MNPs

Chair: Raymond Pieters (Utrecht University, POLYRISK)

13:30 **Towards an integrated approach for testing and assessment for poorly soluble, low toxicity polymer particles**
Annie Jarabek, US EPA

13:50 **Are existing frameworks for nanomaterials useful for MNPs?**
Matthew Boyles, IOM, UK (AURORA) (TBC)

14:20 **The POLYRISK Risk Assessment Framework for MNPs**
Andrea Haase, BfR, Germany (POLYRISK)

14:40 **Q&A and discussion**

15:00 **Coffee break**

III. Interactive discussion

15:30 **Break-out sessions**

16:30 **Concluding remarks and outlook**
