

Dear all,

We would like to make a final call with invitation to the Joint Workshop of *it*ENBIS and INRIM on **Mathematical and Statistical Methods for Metrology** (INRIM, Torino; 30-31 May 2019).

We have been asked with many requests to give an extension for the submission of oral presentations. Therefore, this is to inform you about the [new deadline for the abstracts submission](#):

Monday 04/03/2019.

Upon agreement with the corresponding Editors-in-Chief, *Statistica Applicata* – Italian Journal of Applied Statistics, Measurement Science and Technology and Accreditation and Quality Assurance journals are ready to host a special issue dedicated to the workshop. The call for submission of papers to these special issues will be in June 2019.

Instructions on how to upload the abstracts, as well as details on registration, travel and accommodation are on the event website <http://www.msmm2019.polito.it/>, which is updated on a continuous basis. Queries can be addressed to the organizers (<http://www.msmm2019.polito.it/contact>).

We are also pleased to announce that at the Workshop there will be the two following invited speakers:

- **Anthony O'Hagan** – Emeritus Professor of Statistics, School of Mathematics and Statistics, The University of Sheffield (UK) (<http://www.tonyohagan.co.uk/academic/>);
- **Giulio D'Agostini** – Professor of the Physics Department of the University of Rome "La Sapienza", Roma (Italy) and INFN Roma 1 (<http://www.roma1.infn.it/~dagos/>).

On behalf of *it*ENBIS and INRIM, we do hope to see you all in Torino in May 2019!

Kind regards,

Grazia Vicario, Francesca Pennechi and Roberto Fontana
